**Position Title: In-Country Financial Consultant**

Position: Part time approximately 3 hours per week

The In-Country Financial Consultant will proactively monitor and document changes in regulatory requirements and national standards for their given country/market, and periodically report these. Specifically, the In-Country Financial Consultant will:

- Be aware of regulatory bodies to monitor and their cycle of work
- Have the ability to distinguish between applicable and non applicable information in a timely fashion
- Document changes in regulatory requirements and national standards within their given country/market
- Assess and report on the possible implications of these changes on the regulatory compliance of Microsoft Dynamics products (in English)
- Be flexible as they may be asked to participate in conference calls

**Experience**

- A background in financial consultancy, with a strong understanding of corporate governance, tax law and standards in financial accounting
- 5+ Years experience in financial consulting and systems within their given country/market
- Experience in any of the Microsoft Dynamics ERP products (Axapta, GreatPlains, Navision) a distinct advantage

**Requirements**

- Must have fluent written and verbal English as well as Portuguese
- In depth understanding of the technology industry
- Excellent written and verbal communication skills with internal and external stakeholders
- Entrepreneurial spirit – ability to work independently as part of a startup team initiative
- Have obtained a minimum of Degree level in the Accountancy/Business and Finance field and preferably be affiliated to the Association of Taxation Technicians (ATT) or the professional tax body with their given country/market

**If you are interested in applying to this role please email your CV and Cover letter in English to [Aoife.gss@lionbridge.com](mailto:Aoife.gss@lionbridge.com)**
